

A Second Leading Proxy Advisor, Glass Lewis, Recommends IsoEnergy Shareholders Vote FOR the Arrangement Resolution with Anfield

- *Your vote is important no matter how many shares you hold.*
- *The Board of Directors of IsoEnergy unanimously recommends that Shareholders vote FOR the Arrangement Resolution.*

Toronto, ON – November 25, 2024 – IsoEnergy Ltd. (“IsoEnergy”) (TSX: ISO; OTCQX: ISENF) is pleased to announce that independent proxy advisory firm Glass Lewis & Co. (“**Glass Lewis**”) has recommended IsoEnergy shareholders (“**Shareholders**”) vote “FOR” the ordinary resolution (the “**Share Issuance Resolution**”) to approve the share issuance in connection with the previously announced arrangement (the “**Arrangement**”) involving the Company and Anfield Energy Corp. (“**Anfield**”) at the upcoming Special Meeting of Shareholders (the “**Meeting**”) to be held on Tuesday, December 3, 2024 at 2:00 p.m. (Toronto time).

Glass Lewis’ recommendation complements the favourable recommendation for the Arrangement previously received from Institutional Shareholder Services Inc. (“**ISS**”).

Philip Williams, Chief Executive Officer and Director of IsoEnergy, commented, “We are pleased that both Glass Lewis and ISS have endorsed the Board’s unanimous recommendation for Shareholders to vote 'FOR' the Share Issuance Resolution. These recommendations underscore the significant potential value the Arrangement offers to IsoEnergy shareholders.”

The Arrangement and Meeting Details

On October 1, 2024, IsoEnergy and Anfield entered into a definitive agreement (the “**Arrangement Agreement**”) pursuant to which IsoEnergy has agreed to acquire all of the issued and outstanding common shares of Anfield (the “**Anfield Shares**”) by way of a court-approved plan of arrangement.

At the Meeting, Shareholders will be asked to vote on the Share Issuance Resolution and a special resolution approving a potential consolidation of the IsoEnergy Shares (together with the Share Issuance Resolution, the “**Resolutions**”), in each case as more particularly described in the management information circular mailed to Shareholders in connection with the meeting (the “**Circular**”).

The Meeting will be held online at meetnow.global/M9YNP66 on December 3, 2024 at 2:00 a.m. (Toronto time). Shareholders of record as of October 21, 2024 are eligible to vote at the Meeting.

Please visit the Special Meeting page on our website for complete details and links to all relevant documents ahead of the Meeting at <https://www.isoenergy.ca/investors/special-meeting/>. The Circular is also available under IsoEnergy’s profile on SEDAR+ (www.sedarplus.ca).

Cautionary Statement Regarding Forward-Looking Information

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". These forward-looking statements or information may relate to the Arrangement, including statements with respect to the consummation of the Arrangement; receipt and timing of approval of the IsoEnergy shareholders with respect to the Arrangement; the date of the Meeting; and any other activities, events or developments that the companies expect or anticipate will or may occur in the future.

Forward-looking statements are necessarily based upon a number of assumptions that, while considered reasonable by management at the time, are inherently subject to business, market and economic risks, uncertainties and contingencies that may cause actual results, performance or achievements to be materially different from those expressed or implied by forward-looking statements. Such assumptions include, but are not limited to, assumptions that IsoEnergy and Anfield will complete the Arrangement in accordance with, and on the timeline contemplated by the terms and conditions of the relevant agreements; that the parties will receive the required shareholder, regulatory, court and stock exchange approvals and will satisfy, in a timely manner, the other conditions to the closing of the Arrangement. Although IsoEnergy has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information.

Such statements represent the current views of IsoEnergy with respect to future events and are necessarily based upon a number of assumptions and estimates that, while considered reasonable by IsoEnergy, are inherently subject to significant business, economic, competitive, political and social risks, contingencies and uncertainties. Risks and uncertainties include, but are not limited to the following: the inability of IsoEnergy and Anfield to complete the Arrangement; a material adverse change in the timing of and the terms and conditions upon which the Arrangement is completed; the inability to satisfy or waive all conditions to closing the Arrangement; the failure to obtain shareholder, regulatory, court or stock exchange approvals in connection with the Arrangement; unanticipated changes in market price for IsoEnergy Shares and/or Anfield shares; changes to IsoEnergy's and/or Anfield's current and future business plans and the strategic alternatives available thereto; growth prospects and outlook of Anfield's business; regulatory determinations and delays; stock market conditions generally; demand, supply and pricing for uranium; and general economic and political conditions in Canada, the United States and other jurisdictions where the applicable party conducts business. Other factors which could materially affect such forward-looking information are described in the risk factors in IsoEnergy's most recent annual information form, the Circular and IsoEnergy's other filings with the Canadian securities regulators which are available, respectively, on each company's profile on SEDAR+ at www.sedarplus.ca.

IsoEnergy does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
